Activity Options

Activity sessions are allocated according to the size of your booking, allowing a fair distribution between groups.
 Moubray: 4 sessions Ochil: 8 sessions Glendevon: 6 sessions
 This does not limit you to this number of sessions, it is simply a guide. We aim to provide you with activities at times to suit your programme, however, as we may have three different groups using the Centre and sharing the facilities, your preferred times or activities may not be available.

All activities are subject to availability and weather conditions. If we are unable to provide an activity due to circumstances beyond our control, we will endeavour to offer an alternative. On some occasions, however, we may have to cancel activity sessions. Some activities are only available seasonally.
